

SEPTEMBER IS **HUNGER ACTION MONTH™**

Did you know...hunger exists in every county in the U.S. affecting 49 million Americans, including 16 million children?

Did you know...1 in 5 children in NJ are hungry? That's over 375,000 children who don't know where their next meal is coming from.

Hunger Action Month™ is every September, when the nation's food banks mobilize the public to take action on the issue of hunger.
