Key Leader: a weekend leadership program for today's young leaders. This life-changing event focuses on service leadership as the first, most meaningful leadership development experience.

A Key Leader will learn the most important lesson of leadership; it's from helping *others* succeed.

- Learn about the inner workings of effective leadership!
- Make connections and lasting friendships with the people you meet!

Registration is \$175 by November 20, with a late fee of \$25 if you register after this date. Students **who have attended Key Leader before** may apply to become a student facilitator; their registration will cost \$115.

December Key Leader is open to high school-age non-Key Clubbers and Key Clubbers alike!
