

JackEY Updates

November 2014

Member dues should have been submitted by December 1, 2014; if you have more members to add or are running a little late, please make sure to get those in! If your club needs another copy of the login information, your advisor can call 1-800-KIWANIS, Extension 411 for that information.

Also, make sure to turn in your November **CMRF** (the district mailing should be marked on the **December** CMRF) and **officer roster!**

The **Annual Achievement Report Form (AARF)** is due received (not postmarked) by March 2, 2015. This form from Key Club International (not only the district) is one of the most important duties of a club secretary and records a club's year-long progress. Use your CMRFs to fill out the AARF! All clubs must turn in this form, especially clubs that would like to compete in DCON contests. If you have any questions about the form, contact me or your lieutenant governor! The AARF can be found at the back of the DCON Contests Packet and in the email with this update!

Remind 12th grade club members about **Scholarship applications!**

Hello, Club Secretaries!

I hope you had a wonderful Thanksgiving! I know I have a lot for which to be thankful---including Key Club, of course. The district board and I attended the November Board Meeting this month, where we worked on our district Elimination fundraisers, preparations for DCON and the next service year, lieutenant governor elections, and more. A comprehensive summary of the board meeting (by yours truly!) should be on the district website within a few days, so feel free to look for yourself.

This month the rest of the district board and I also worked on the December District Mailing, which was sent out online earlier in the week. The physical mailing should be received next week, so also keep an eye out for that compilation of resources. If you have any questions or comments on the mailing, please email me! I'd be happy to hear from you and would love to answer any questions.

Enjoy the holidays!

Yours in Caring and Service,

Join the "**New Jersey District Key Club Secretaries**" **Facebook group** for secretary tips as well as updates from International!

ELIMINATION VOLLEYBALL TOURNAMENTS

The state volleyball championship will be in late January or early February, so stay tuned for more information! Spectators are welcome (a small \$5 entrance fee will go towards The Eliminate Project).

Make sure to send in the donations you raised from Trick-or-Treat for UNICEF!
