Fall Rally Unofficial Board Meeting-Recap

Salutations, New Jersey District!

Your District Board was hard at work at the Fall Rally Unofficial Board Meeting, making preparations for Fall Rally and planning for the future. Here are some things we want you to keep in mind:

- Spike-Out-Hunger Tournaments: Look forward to these volleyball tournaments in your division! All proceeds from these tournaments will benefit the District Project, the New Jersey Federation of Food Banks. Contact your Lieutenant Governor for more information!
- Hunger Week: Much like Eliminate Week in the past, this year's District Project Steering Committee wants to host a Hunger Week! Each day of this week will be a different activity. Be on the lookout for more information!
- Hunger Isn't Write Pens: Make sure to buy a pen from your Lieutenant Governor! They are \$1 each. All proceeds benefit the New Jersey Federation of Food Banks.
- Dues: In order to be a Key Clubber, you must pay your dues! The Early Bird deadline is quickly approaching- November 1st! The regular dues deadline is December 1st.
- Trick-or-Treat for UNICEF: Trick-or-Treating for UNICEF is a fun, easy event anyone can participate in. The proceeds from the event will go towards the Eliminate Project, a past District Project. The Eliminate Project is a project focused on eliminating maternal and neonatal tetanus from the world. Every \$1.80 helps immunize a mother and all her future babies from this deadly disease. If you want to help out, you can order boxes for free of the Kiwanis.com store! Make sure to order boxes by October 23rd to have them in time for Halloween!
- CMRFs: Keep sending in your CMRFs, including any you might have missed! Even if you submit forms long after they were due, your club will still be eligible for the 100% CMRF Award! The cutoff date for the Award is November 10th, so make sure to send in your CMRFs! And, please send them to: njkeyclubcmrf@gmail.com
- District Handbook: The District Handbook is an informational guide to the New Jersey District of Key Club as well as to Key Club International. Be sure to give it a read!
- DCON Theme: The announcement on the 2016 District Convention Theme will be coming out shortly!

There is plenty to look forward to, so keep an eye out for all of it! Of course, feel free to contact myself, fellow executives, and/or Lieutenant Governors with any questions.

Yours in Caring and Service,
Farwa Shakeel
